

FY24 Student Activity Accounts

Although not required, the Department of Elementary and Secondary Education recommends that the School Committee approves each student activity annually.

The student activities accounts for each school are listed below. Some accounts have a description of their purpose if the title of the account does not clearly indicate the account's purpose.

Student Activity Accounts by School

School	Student Activity Accounts
Cold Spring Elementary School	Drama Club Grade 4 Grade 5 Principal's Discretionary Student Lighthouse Committee <ul style="list-style-type: none"> • A group of leaders within the school, they are role models on how a student should behave. They also run school leadership assemblies and do community service.

--	---

The funding for each of the student activity accounts is either direct from the students or money from any fundraising activities that the students conduct within their activity. The Principal's Discretionary Fund is funded primarily with the revenue from school pictures.
