Dear Members of the School Committee,

The staff at the Plymouth Early Childhood Center would like to thank The Plymouth Fire Relief Association for their generous donation of \$1073.02. They raised this money as part of their t-shirt campaign for autism awareness. We are honored to be the recipients of choice for this gift.

This generous donation will go towards the continued improvement to our playground. We have begun to make this space more inclusive for all students to learn and play in an area that is fun and safe. We are truly grateful for the generosity of their donation to our school.

Respectfully Submitted,

The Plymouth Early Childhood Center Staff
