Dear Mr. Machado:

On behalf of Plymouth Public Schools, I would like to thank you and the members of the Plymouth Kiwanis Club for your recent generous donation of \$4000 to support our inaugural *One Author, One District* celebration with author and illustrator, Peter Reynolds. Your donation will support the purchase of text sets of Mr. Reynold's books for each elementary school as well as books to be given to individual students. These text sets will be enjoyed by PreK-5 students and teachers from across the district as they engage in reading experiences and thematic discussions together, with a culminating Family Night event with activities and a presentation by the author himself!

Your generosity and thoughtfulness to the students of Plymouth is greatly appreciated. Thank you again for your continued support, and best wishes to all of the members of your organization.

Sincerely,

Dr. Lisa M. White
