MEMORANDUM

To: Plymouth School Committee

From: Christopher Campbell, Superintendent of Schools

Date: April 7, 2025

Subject: Recommendation on Inter-District School Choice for the 2025-26 School Year

The inter-district school choice program has been in place in the Commonwealth of Massachusetts since 1991, allowing families to enroll their children in a school district other than the one in which they reside. Under [Massachusetts General Laws, Chapter 76, Section 12B](#), all districts are presumed to participate in school choice unless the School Committee votes to withdraw prior to June 1st, following a public hearing.

After careful consideration of our district's enrollment trends, budgetary constraints, and the capacity of our schools to effectively serve both resident and non-resident students, I recommend that the School Committee vote to withdraw from the inter-district school choice program for the 2025-26 school year. This decision will ensure that we can prioritize resources for our resident students while maintaining the quality of education and support services within our schools.

I welcome the opportunity to discuss this recommendation further and address any questions the Committee may have.

Sincerely,

Chris Campbell

Superintendent of Schools
